

## **DIRECTIONS TO LEWIS ENGINEERING**

### From Interstate 90 West (Syracuse):

Exit 24 (Albany and I-87 North). Bear right onto I-87 South toward Western Avenue and take Crossgates Mall exit. Bear right at traffic light at Mall Road and take next right to Crossgates Commons access road. Take next left onto Washington Avenue Extension (westbound). Cross intersection with Route 155 (New Karner Road) onto Madison Avenue Extension and take first left into office complex (right before the water tower). Follow signs to rear building (2<sup>nd</sup> building – One Beacon Insurance/Lewis Engineering). We are located on the second floor.

### From Interstate 90 East (Boston):

Interstate 90 West to Fuller Road exit. Left at end of ramp onto Fuller Road southbound (towards SUNY Albany). Stay in right hand lane and turn right onto Washington Avenue Extension (westbound). Cross intersection with Route 155 (New Karner Road) onto Madison Avenue Extension and take first left into office complex (right before the water tower). Follow signs to rear building (2<sup>nd</sup> building – One Beacon Insurance/Lewis Engineering). We are located on the second floor.

### From Interstate 87 North (Northway):

Northway (I87) south and take Crossgates Mall exit. Bear right at traffic light onto Mall Road and take next right to Crossgates Commons access road. Take next left onto Washington Avenue Extension (westbound). Cross intersection with Route 155 (New Karner Road) onto Madison Avenue Extension and take first left into office complex (right before the water tower). Follow signs to rear building (2<sup>nd</sup> building – One Beacon Insurance/Lewis Engineering). We are located on the second floor.
